	<b>Selling</b>		<b>Selling</b>		<b>Selling</b>
	€ 64.00		€ 118.00		€ 200.00
Features:					
<p><b>Create</b></p> <ul style="list-style-type: none"> <li>• NEW! Vlogging lets you record, compress, upload and post a video seamlessly, in one application.</li> <li>• Give your Blog cast one-of-a-kind style with nearly 100 customizable templates. <a href="#">See sample.</a></li> <li>• Podcast recording tool offers one-click installation, real-time audio compression, and CD-quality recording (prior to MP3 compression).</li> <li>• Play audio and video podcasts directly from your published web page with On-Site Player.</li> <li>• No banner advertisements.</li> </ul>					
<p><b>Manage</b></p> <ul style="list-style-type: none"> <li>• Overage Protection means you never have to worry about exceeding bandwidth or unexpected monthly overage charges.</li> <li>• Share your favorite photos, videos, and more. Upload and manage .jpg, .gif, MP3 and MP4 audio/video files (m4v, mp4 and mov) simply and easily. Set up as many blogs and podcasts as you like. (Available disk space varies from plan to plan.)</li> <li>• Remote blogging lets you post directly from online photo albums (like Online Photo Filer) and popular third-party sources. You can even blog via email or post direct to your blog from Word 2007, Windows Live Writer, Flickr and others.</li> <li>• If you've got a Google Ad Sense account, use Quick Blog cast to earn revenue. Get site statistics, including subscriber numbers, average bandwidth, disk space utilization and more.</li> <li>• IP banning locks out spammers and other troublesome visitors.</li> </ul>					
<p><b>Publish.</b></p> <ul style="list-style-type: none"> <li>• Share your Blog cast across the Web—generate and publish RSS feeds in minutes.</li> <li>• Keep your visitors informed of your latest posts with Blog cast update notification service.</li> <li>• Quick Blog cast automatically sends new podcast notifications to popular listing services like iTunes, Feed Burner, iPodder, and more.</li> <li>• Use built-in surveys to get feedback from all your visitors.</li> </ul>
